EDUCATION & CERTIFICATION

BACHELOR OF SCIENCE IN INFORMATION TECHNOLOGY

Palay Elementary School | S.Y 2007-2013
Palay Integrated School | S.Y 2013-2019
Phinma University of Iloilo | S.Y 2019-Present

WORK EXPERIENCE

Construction Worker/Labor | 400/PerDay

Patrilla builders | four months

You must be able to move large materials, excavate, use tools, run machinery, and climb ladders in order to work in the construction industry. Additionally, you might need to wear bulky or hefty personal protection equipment while working. Maintaining physical fitness guarantees that you can work long hours without becoming injured or exhausted

Worker/Labor | Php 3000
DOLE Tupad | 15 Days

All disadvantaged workers aged 18 years old and above are qualified beneficiaries of TUPAD program except for government employees regardless of status of employment (permanent, contractual, project-based) including those who are regularly receiving honorarium or allowances for work performed.

PROJECTS

Capstone Project | 10 months

ACTIVITIES

dole Tupad | 15 days

The beneficiaries were hired to work for four hours per day for 15 days on social community projects like clearing debris, declogging canals, segregating debris, and materials, as well as repairing, maintaining, and/or improving common public facilities and infrastructure like schools and health centers.
